Dear Mr Horowitz:

I received your letter of December 9th. I was indeed very glad to hear from you. I had planned to come to Red Bank several times this winter. There was always something to stop me, the weather, my health or some unexpected business.

When I first planned to come, I had a program all outlined, now that we are at war, I guess we will all have to change our plans about a lot of things. I do not want to be a pessimist, but I am very much afraid our night baseball on the eastern coast especially, will be forbidden. Maybe not, of course we all hope not.

Is there any chance of you being in Newark any time soon. I do think we should get together very soon if we are going to work out anything. I will give you my address and phone number now. The phone is not listed, so keep the number Market 3-0555. Address above. If you will not be coming this way I will have to arrange to come to Red Bank.

Our league will meet right after the first of the year. We should have our plans laid by that time.

Please let me hear from you right away. I am definitely interested in talking about the park.

Very Truly Yours
